

60th Annual Meeting and Training Sessions Ontario Building Officials Association

Re: 60th AMTS Participation

Nov. 21, 2016

John Sweetnam
john@cdsmovers.com

Dear Mr. Sweetnam:

On behalf of the Ontario Building Official's Association, and the 2016 Host Committee, thank you for contributing your time and expertise to the 60th Annual Meeting and Training Session held in Ottawa from October 2nd to 5th, 2016.

Your support allowed us to provide a valuable forum for delegates from across Ontario to meet and exchange ideas, as well as to hear from experts like yourself, on new developments and technologies such as alternative energy, construction materials, and building systems.

It is through this type of collaboration that the Ontario Building Official's Association can continue to provide this unique opportunity for both our members and the associated business community to meet the challenges facing our industry.

Once again, thank you for your support.

Norm J. Allen
Secretary Treasurer Registrar
Ontario Building Officials Association
